

HISTORY OF ORGANIZATION AND FORMER TUTORS

Classical Studies Center 2005-2012

The CSC was founded by the Reformed Presbyterian Church, PCA, on Lookout Mountain. Pastor Kevin Skogen had a desire to provide a Christian educational alternative to private school and homeschool as a ministry of the church. The study center, organized and administrated by the Session of the RP, began as a ministry to the members of the RP congregation but quickly welcomed members of the community who desired help in home educating their children. We give thanks for our roots and remember with gratitude the faithful service of elders, parents and tutors who served at the Classical Study Center which is where the ministry, vision and values of the present tutorial began.

Classical Beginnings Tutorial 2012-Present

Classical Beginnings, Inc., started in 2012, was a new launch of the same homeschool tutorial service of the Classical Studies Center. Classical Beginnings was incorporated in 2013 as a 501c3 non-profit organization. CBT is governed by the College of Tutors, who organize and administer the work of the tutorial, as well teach students and mentor parents. The tutors are supported by the wisdom and financial guidance of an elected, volunteer Board. We are thankful for the commitment and perseverance of our dedicated tutors and for the faithful support and service of our board members.
