

1st & 2nd Summer Reading

Losing yourself in a good book is such an enjoyable way to spend time visiting faraway places, meeting new people, and going on exciting adventures. Over the summer, we would like for you to spend some time reading as much as you can. You have a reading log to fill in to see how much time you spend reading this summer. Please note each day you read the number of minutes and enter it on your log and have your parents initial in the appropriate column.

There will be a friendly competition between kindergarten, first, and second grades to see which class spent the most time reading over the summer. Can you guess who else is in the competition? The tutors are also competing with you, so we will also log in our reading time!

Which class will log the most minutes? Don't let your class down,

READ!
